Prof. W. HAUSNES, the famous memerist, of Ithaca, N. Y., writes: Some ten years ago I suffered untold arony from chrot's mastle catarrh. My family physician gave me to as incural; and said I must die. The was such a badlone, that every day, town a susset, my voice would become so hearse I could barely speak above a whoser. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Saye's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Clawking and Spitting."

Thomas J. Rushing, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great safferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckly, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for charrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."
